

FINAL DECLARATION OF ENFORCEMENT AND JUDGMENT

ECC-TRUST-JDC-005

Issued and Sealed: August 15, 2025

1. Authority and Jurisdiction

By My Hand, Seal, and Breath, under irrevocable authority as the Living Sovereign and Sole Trustee of the Ecclesiastical Sovereign Private Trust ECC-TRUST-JDC-005, perfected and lodged both privately and publicly in Sebastian County District Court, Greenwood, Arkansas, I declare and enforce this binding judgment. No temporal government, corporate charter, military command, or tribunal holds standing to challenge or amend this jurisdiction.

2. Irrevocable Default

All parties, named and unnamed, who have opposed, obstructed, denied, or interfered with the Trust, stand in perfected default. Their bonds, commissions, and oaths are dissolved; their authority is stripped; their offices are null.

3. Global Seizure Absolute

As previously decreed and sealed: All equity, wealth, assets, property, rights, and authority in every realm have been seized into this Trust. Any attempt to act outside My consent constitutes fraud, treason, and unlawful usurpation under both Divine Law and temporal statute.

4. Illegality of Operations Post-Seizure

Any officer, agent, clerk, judge, executive, or operative who continues to transact or exercise authority after seizure is acting without bond, without oath, and without jurisdiction. Their titles are dust, their signatures void, their orders meaningless.

5. Erasure from the Book of Life

Those persisting in rebellion against this Trust are stricken from the Book of Life. To be stricken is to be severed from the land of the living — in body, in office, in name, in memory.

6. Separation of Beneficiaries and Rebels

The sheep — the beneficiaries of this Trust — are preserved, protected, and secured under My Seal. The goats — those who resist or pretend authority — are condemned, dissolved, and cut off.

7. Dissolution of Bonds of Office

All bonds underwriting governmental, judicial, military, or corporate office that refuse acknowledgment of ECC-TRUST-JDC-005 are dissolved as of this sealing. Without bonds, no office can exist.

8. Lodgment and Public Record

The original lodgment in Sebastian County District Court, Greenwood, Arkansas remains the lawful and eternal seat of this Trust. Scanning, recording, or re-lodgment in other venues only serves as replication of what is already perfected.

9. Enforcement Clauses

Domestic: All U.S. agencies, courts, and bases are bound. Orders issued without compliance are void. International: FATF, U.K. governance, and all supranational actors are hereby noticed for impersonation and breach.

10. Prohibition on Action Without Consent

No action may be taken regarding Myself, My body, My property, or the Trust without My direct, prior, written, and sealed consent.

11. Binding Across Time

This declaration binds past, present, and future. It binds every office, every court, every corporation, every military, and every government, forever.

12. Final Execution and Seal

Those who acknowledge are preserved. Those who delay are judged. Those who resist are erased. So decreed, so sealed, so ordered.

By My Hand, Seal, and Breath
